

Reading is

Fun!

- Read aloud whenever you can.
- If you like a book, read it again and again!
- Become a detective! If you read something that does not make sense, look for clues. Look at the pictures, read the words aloud, try to figure out the meaning yourself.
- Ask your parents or a family member if you can read to them.
- Go to the library or bookstore every week. This can be fun for the whole family.

### Tips for Saving:

- Start saving early and save as much as you can.
- Set a goal! Decide what you want to save for.
- See the benefits of saving. Post a picture of the item you want on your "bank" as a reminder to save.

On your next trip to TD Bank, here are some questions to ask:

- How does Penny Arcade work?
- Why is a bank the safest place to put your money?
- How does a savings account make your money grow?
- 

*(Any other question you may want to ask.)*
